

Investing for Success

**Under this agreement for 2017
Townsville South SS will receive**

\$53,995*

This funding will be used to

- Increase percentage of students achieving a 'C' standard or above in English from 85% (Semester 2, 2016) to 90% (Semester 2, 2017)
- Increase percentage of students achieving a 'C' standard or above in Mathematics from 87% (Semester 2, 2016) to 90% (Semester 2, 2017)

Our initiatives include

- Mentoring teachers on how to give clarity to students of success criteria in lessons, monitoring and assessment tasks.
- Reviewing the schools attendance policy to further support attendance.
- Mentoring teachers on high quality reading and writing practices aligned to the school teaching and learning framework.
- Providing coaching and professional development for staff members in the implementation of the school framework for the teaching of mathematics to ensure consistent implementation of an engaging and challenging curriculum in mathematics.

Our school will improve student outcomes by

- Increasing engagement of students in reading by resourcing high interest levelled readers.
- Providing professional development opportunities for teachers to work together to deepen their understanding of the Australian English and Mathematics curriculum.
- Building teacher capability to use technology to differentiate for individual needs.
- Implementing the school's attendance policy to increase attendance.
- Differentiating according to individual student needs.
